

## ***Financial Policy***

---

Virginia Urology Surgery Center requires at least 48 hours notice for cancellation of Vasectomy procedures. Failure to provide 48 hours notice will subject your account to a \$100 charge that is the patient's responsibility.

Following surgery, you will receive a bill from Virginia Urology Surgery Center for the facility charge. This comprehensive fee will include the use of the surgical suite, surgical supplies and nursing support. You will also receive a bill for your physician's charges for surgery.

Virginia Urology Surgery Center participates with most major insurance carriers, area HMOs and PPOs, Medicare and private paying patients.

If you are uninsured or experiencing financial difficulties, Virginia Urology Surgery Center will gladly establish payment schedules that are suited to your budget or assist you in making the appropriate lending arrangements. VISA and MasterCard are accepted. A sliding payment scale is available for qualified patients.

If you have any questions regarding insurance filing, financial arrangements or your billing statements, please contact our Patient Accounting Office at (804)287-1030.
